PRODUCCIO CIENTÍFICA: PUBLICACIONS

Un dels valors més importants de l'IGTP l'aporta la multiplicitat d'institucions que integren l'institut. Aquest fet suposa, però, que els professionals del Campus tinguin diverses afiliacions.

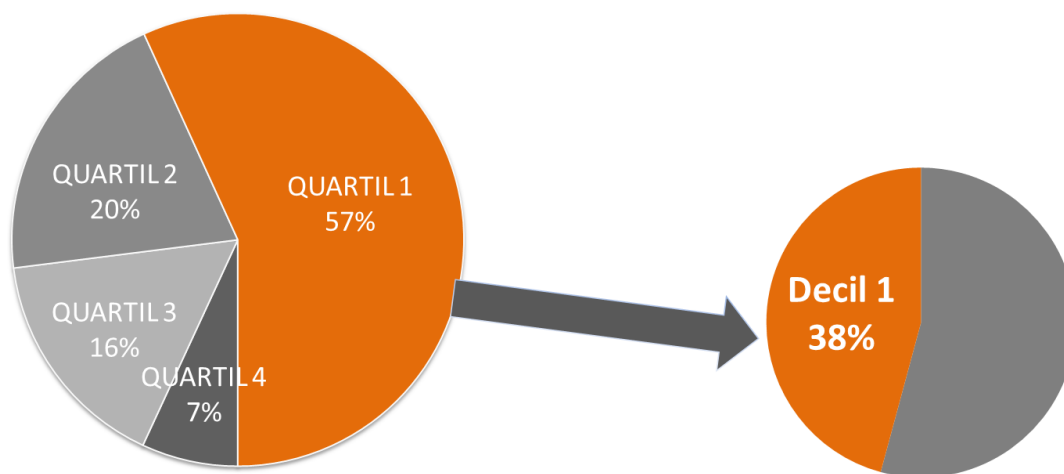

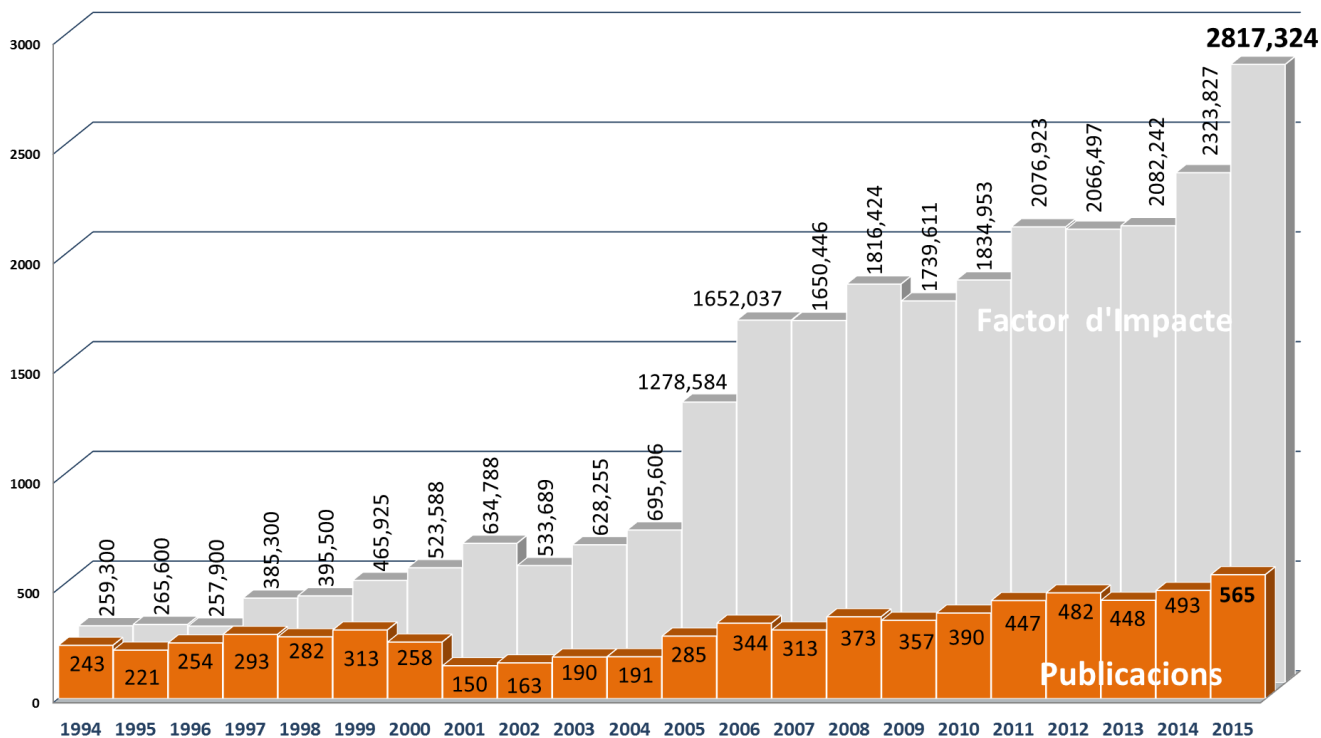

Totes les comunicacions científiques en què participen investigadors/es del Campus, sigui quina sigui la seva vinculació contractual, acostumen a anar signades per l'Institut Germans Trias i la institució contractual. Els professionals que també pertanyen a altres institucions fan constar aquesta vinculació afegint-hi la filiació oficial corresponent.

A continuació es detalla un resum de la producció científica del Campus Can Ruti. A l'[Annex 1](#) podeu consultar la relació completa dels articles científics publicats al 2015.
